

Donor Advised Fund (DAF)

A flexible and tax-efficient way to support the Women's Fund of the Blue Ridge. If you have established a donor-advised fund through a community foundation, financial institution, or charitable sponsor, you may recommend a grant to WFBR at any time. Naming the Women's Fund of the Blue Ridge as a successor beneficiary of their donor-advised fund. This allows the remaining balance of the fund to support WFBR's mission after your lifetime.

How It Works

A donor-advised fund allows you to make charitable contributions to a fund and then recommend grants from that fund to nonprofit organizations over time. By recommending a grant to the Women's Fund of the Blue Ridge, you help support programs that expand opportunity, improve health and wellness, enhance safety, and strengthen essential services for women and girls in the High Country.

Simple Steps

1. Contact your donor-advised fund administrator or log into your DAF account.
2. Recommend a grant to the Women's Fund of the Blue Ridge using the organization information below.
3. Indicate the grant amount and any designation if applicable.
4. Your fund sponsor will distribute the grant to the Women's Fund of the Blue Ridge.
